

# Somers Point School District

Presents the 2019...

Dear Parents/Guardians,

The Somers Point School District is excited to announce our annual Science Fair and STEM Expo. This year's event will feature the Science Fair Competition, held at the Jordan Road School in the cafeteria, where students will display their scientific experiments and findings. Come check out their amazing work and support them as they compete. After you're done make your way to the gymnasium for the STEM Expo, which includes hands-on interactive learning stations. This year's Expo is sure to be exciting, as Stockton University and the Atlantic County Institute of Technology will be hosting exhibits. The event is entirely free and open to the public. We hope to see you and your family for what is sure to be an unforgettable evening.

**SCIENCE FAIR 6PM TO 8PM**

**STEM EXPO 5PM TO 7PM**
