This is a non-competitive instructional program designed to simply provide an introduction to hockey. Sessions are held only on Monday nights from 6 to 7:15 pm for six weeks. Having fun, giving good effort and learning the basics of a great game are the components that are stressed

by the coaches. This is a great way to introduce them to organized sports - in general.

Every player gets equal playing time. A typical session consists of 30 minutes of practice and 45 minutes of game play. We use clocks during games – but do not keep score.

All players receive a jersey and a hockey trophy (and PIZZA!) at the completion of the program.

Players **need their own**: helmet, shin guards, stick and gloves. For more info. on equipment and details on local discounts, go to our website and click on the EQUIPMENT tab.

Also, Please visit our website for our COVID Plan.

Come out for a fun hockey experience!
