RE: Ready for Kindergarten Summer Program

Dear Parents/Guardians:

I'm pleased to announce that we are offering a Ready for Kindergarten Summer Program for students exiting pre-k. This program is designed to provide children with an opportunity to learn in a developmentally appropriate classroom environment and expose them to social experiences and develop various skills necessary for success in kindergarten.

Students will attend Monday – Thursday from 8:30 am until 11:00 am from Wednesday, July 5, 2017, until Thursday, August 3, 2017. The program will be held at the **Mainland Regional High School** this year and bussing is available. There will be a bus from Mainland to the Summer Camp program held at the Fire House on Bethel Road.

Your child has been recommended by his/her current teacher to attend the program. Students always benefit from summer instruction because it keeps them using their academic skills throughout summer vacation, which helps students attain success during the following year. Because we want your child to accomplish great things, this program is an excellent stepping stone toward that goal.

If you would like your child to attend the Ready for Kindergarten Summer Program, please complete the information below and return it to your child's teacher as soon as possible. If you prefer, the form can be dropped off or mailed directly to the New York Avenue School. Seats for the program are limited and are filled on a first come, first served basis. If selected, you will be sent a confirmation letter with further instructions.

I hope you will see the benefit of honing your child's skills before the new school year begins. I look forward to watching him/her learn and grow in this program and throughout his/her years in the Somers Point School District.

If you have questions or concerns, please contact me at the New York Avenue School at 609-927-2053 x3103.
