Dear Parent/Guardian,

On December 4, 2020, we shared that due to an increase in positive cases impacting our district, that we would be on a fully remote schedule until January 15, 2021. We plan to return to hybrid instruction for those families who chose in-person instruction on Tuesday, January 19, 2021, with Cohort A. See below for our intended schedule.

As a reminder the hybrid groups are as follows:

- Group A = Monday/ Tuesday
- Group B = Thursday/Friday
- Again, if your child was part of our initial fully-remote option when we returned in September, they will continue to attend school 5 days per week following the same abbreviated day schedule until further notice.

As we transition back, we will be continuing to adhere to Policy #1648.02. All requests to transition to hybrid or back to remote learning must be done at the beginning of our school trimesters and is on a case-by-case basis depending on space. Requests must be submitted to your school Principal for this change to be considered. We can only accommodate so many requests, as it is based upon the capacity of our classrooms while we are in stage 2 of the Restart and Recovery plan.

We are also looking for your feedback on the school year so far. Please share your thoughts with us at the following link: [Somers Point Family Survey - January 2021](#)

If your child has tested positive for COVID-19 or is considered a close contact with a positive case of COVID-19, please share that information with our nursing department at the following link: [Help Somers Point Schools Stop the Spread of COVID-19](#)

Thank you for your patience, understanding, and cooperation as we travel this uncharted road back from the COVID-19 Pandemic.

Yours in Education,

Michelle CarneyRay-Yoder, Ed.D.
